### ADDENDUM NUMBER ONE

TO: Security Systems Consultants

FROM: Martin Santoyo, Project Manager *MS*  
Division of Public Works

SUBJECT: DPW PROJECT NO. 16193  
Integrated Security System  
Boise State University  
Boise, Idaho

An on-site informational and walkthrough meeting will be conducted on April 19, 2016, and will commence at 9:30am. Availability to visit the facility is limited to this date and time. Attendance is not mandatory and travel reimbursement will not be provided.

The purpose of the meeting is to gain an understanding of the scope, program clarification and expectations, and answer questions. It is anticipated that a walkthrough will be provided to examine the facilities and obtain firsthand knowledge of existing conditions, infrastructure, and equipment.

**Date: April 19, 2016**

**Meeting Location: 2245 University Drive, Boise, ID 83706**

**Time: 9:30am – 11:30am**

**Parking: metered parking is available at the parking lot adjacent to the campus security building and at the Brady Street parking garage, located directly north, across University Drive from campus security.**

**Clarification, purpose of this RFQ:** This RFQ is to select a security systems design consultant to prepare bid documents and provide construction administration during installation of the new security system. It is anticipated that bid documents will be completed by January/February 2017.

*"Serving Idaho citizens through effective services to their governmental agencies"*

**Clarification, budget:** The \$487,000 is the total project budget. The fees for the consultant are a portion of this budget; the fees will be negotiated upon final ranking approval by the Permanent Building Fund Advisory Council. The remaining budget will be utilized for the work to be performed under the bid documents prepared by the consultant.

**Clarification, consultant participation in the bidding portion of the project:** The security consultant shall be precluded from participating in the bidding processes for the installation of the new security system.
